

EAZA

ANNUAL CONFERENCE
PARIS2026

29 SEP
— 30 OCT
FRANCE

PALAI DES CONGRÈS • ISSY-LES-MOULINEAUX

**EXHIBITION & SPONSORING
BROCHURE**

Gilles Bloch
(President of National
Museum of Natural
History)

From 29 September to 3 October, 2026, Paris will host the **EAZA Annual Conference**, the key gathering for European zoo and aquarium professionals. Organized by the **Muséum national d'Histoire naturelle**, through its two emblematic institutions, the **Parc zoologique de Paris** and the **Ménagerie du Jardin des Plantes**, in collaboration with the **European Association of Zoos and Aquaria (EAZA)**, the conference will bring together more than **1,000 participants** from across Europe.

Researchers, institution directors, conservation experts, NGO representatives and industry partners will meet to share knowledge, reflect on future challenges, and strengthen their collective commitment to biodiversity. Beyond the scientific conferences and workshops held at the **Palais des Congrès in Issy-les-Moulineaux**, participants will also discover the richness of Paris's zoos and enjoy unique social events from the **Grande Galerie de l'Évolution** to a **gala dinner on the Seine**.

Hosting the 2026 edition in Paris is a unique opportunity to highlight the conservation initiatives led by the Muséum and EAZA, while fostering dialogue between institutions, companies and patrons around shared values: **protecting nature, preserving species, and passing knowledge on to future generations**. We invite you to join us as a **partner**. By supporting the conference, you demonstrate your commitment alongside leading actors in biodiversity conservation, while gaining outstanding visibility within an international network recognized for its expertise and dynamism.

Together, let's make the **EAZA 2026 Annual Conference** a landmark moment for biodiversity and for the professional community dedicated to its protection every day.

PALAI DES CONGRES

ISSY-LES-MOULINEAUX, FRANCE

The Palais des Sports Robert-Charpentier in Issy-les-Moulineaux combines modernity and excellence in service within a dynamic setting. Located near Paris, this versatile venue is ideal for hosting large-scale events. It offers spacious facilities that can accommodate a large number of participants, with several meeting rooms and conference spaces tailored to various needs. Visitors can enjoy local amenities, including nearby restaurants and bars, as well as sports and leisure facilities.

The Palais des Sports is ideally situated, with easy access to major transport networks and attractions in the Paris region.

eaza2026-hotels@hopscotchhousing.com

ARTICLE 1 - SUBJECT

The purpose of these General Terms and Conditions for the sale of services and hire of stands (hereinafter the «GTC») described below is to define the conditions under which Hopscotch Congrès (SAS with registered office located at: 23-25 rue Notre-Dame- des-Victoires, 75002 Paris, France) makes a stand available to an exhibitor (the «Partner») as part of the event organised by Hopscotch Congrès and in accordance with the terms and conditions agreed in the booking form, which forms an integral part of the GTC. The Partner wishing to participate in the event accepts without reservation these GTC, the regulations of the location in which the event takes place, and the provisions of public law applicable to events organised in France. It accepts any new provisions imposed by the circumstances, or in the interest of the event, of which Hopscotch Congrès reserves the right to advise, even verbally. The terms and conditions for the organisation of the event, in particular the start and end date, its duration, the location in which it will take place, and the opening and closing times, are freely determined by Hopscotch Congrès, which may modify them unilaterally. Any decision to change the organisation of the event, notwithstanding the date on which it is taken, does not entitle the Partner to cancel its reservation.

Signature and/or acceptance of the reservation form, by any means, implies the unreserved acceptance of the GTC, which together form a «Contract».

The GTC may not be modified by contrary stipulations on the Partner's order form or in its general terms and conditions of purchase, unless there is a formal and express exemption between the Parties. The fact that Hopscotch Congrès does not invoke any of these GTC at a given time shall not be interpreted as a waiver of the right to invoke any of the said conditions at a later date.

ARTICLE 2 - DURATION

The GTC take effect upon the Partner's acceptance of the booking voucher and have full effect for the duration of the performance of the services referred to in the booking voucher.

In the event of failure by one Party to comply with any of its obligations, the Contract may be terminated by the other Party by operation of law, fifteen (15) days after formal notice has remained without effect, without prejudice to any damages or interests that may be due. Breach of contractual obligations is understood to mean the partial or total non-performance of a principal obligation or repeated breaches of an accessory obligation.

The articles of the GTC which, by their nature, are intended to continue to apply, shall survive termination of the Contract, whatever the cause. In the event of early termination of the Contract, the Partner shall pay for any services rendered and all reasonable costs already incurred by Hopscotch Congrès up to the termination date.

ARTICLE 3 - RESERVATION PROCEDURES

3.1. Reservation requests The Partner wishing to exhibit at the event must send Hopscotch Congrès an admission request signed and formulated on the basis of the official reservation forms supplied in advance by Hopscotch Congrès. In order to be validated, the reservation form must be sent by email to: fchenoufi@hopscotchcongres.com and accompanied by the payment.

The reservation will only become definitive upon receipt of a purchase order number specific to the Partner enabling Hopscotch Congrès to invoice. The order will, therefore, only be definitive upon receipt of all of this information.

No stand may be allocated to the Partner without this information. Failing receipt fifteen (15) days prior to the event, the order shall become null and void and shall not be taken into account

by Hopscotch Congrès. Application to participate, even if not accompanied by the payment, constitutes a firm and irrevocable order commitment on the part of the Partner involving payment of the full price of the stand hire and any ancillary costs. Validation of admission applications by Hopscotch Congrès Applications will be submitted to the event's Organisation Committee which, upon examination of the applications, will decide on admissions. In the event of rejection, the Organisation Committee will not be required to provide reasons for its decision, of which the applicant Partner will be notified. Under no circumstances may the rejected applicant claim any compensation whatsoever on the grounds that its participation was requested by the Organisation Committee or by Hopscotch Congrès. Additional services of a technical nature may be taken out by the Partner and will be subject to a prior estimate.

ARTICLE 4 - PRICE

The price and invoicing terms are provided for in each reservation form. Unless otherwise stipulated in the booking form, the Partner undertakes to pay the price within thirty (30) days of the invoice date for any booking made two (2) months prior to the event. For any booking made from one (1) month prior to the event, payment must be made upon receipt of the invoice. Participation will only be effective upon receipt of full payment of the price and no services (including the stand) will be delivered if the payment has not been made prior to the event. Any delay in payment may lead to delays in setting up the event. Such delays may result in additional costs or the partial or total cancellation of services. Hopscotch Congrès cannot be held responsible, in accordance with the above payment deadlines, and pursuant to the law on payment periods, any late payment shall automatically lead to the application of late payment penalties, the rate of which shall be equal to one and half (1.5) times the legal interest rate. If the full invoice has not been paid at least thirty (30) days before the date of the event, Hopscotch Congrès reserves the right to re-allocate its stand. Similarly, if the full invoice has not been paid at least fifteen (15) days before the date of the event, Hopscotch Congrès reserves the right to refuse the Partner access to the event. Should the invoice not be paid in full prior to the opening of the event, Hopscotch Congrès shall not reimburse any sums already paid.

ARTICLE 5 - CANCELLATION BY THE PARTNER

Cancellation by the Partner if the Partner wishes to cancel its reservation or to withdraw, it must do so by registered letter with acknowledgement of receipt to Hopscotch Congrès. If it does so more than two (2) months before the event, 60% of the price shall be due to Hopscotch Congrès; 80% shall be due if the cancellation occurs between two (2) months and one (1) month before the event. For any cancellation request made less than one (1) month before the event, 100% of the price must be paid. This payment will be deducted from the payments already made by the Partner, if applicable. COVID-19 health crisis in view of the COVID-19 health crisis, the Parties acknowledge that this situation is beyond their control and may affect all or part of the services provided in relation to the event, and that cancellation and/or modification of all or part of the services may occur at any time (i) At the will of either Party if it believes that some or all of the services will endanger the health of its employees or that of the public. The Party concerned must immediately inform the other Party by e-mail of the cancellation and/or modification of part or all of the services; (ii) independently of the Parties, in the event of legal or governmental restrictions, taken at national or local level. The Parties agree that, in such a case, the Partner may cancel its participation in the event under the following conditions: if the cancellation occurs more than two (2) months before the event, 30% of the price shall be due to Hopscotch Congrès; 60% shall be due if the cancellation occurs between two (2) months

and one (1) month before the event. For any cancellation request made less than one (1) month before the event, 100% of the price must be paid. Declaration/Authorisation procedure (Articles L. 1453-10 to 12 of the French Public Health Code). in the event that the competent authority issues recommendations to the Parties with regard to the Contract pursuant to the second paragraph of Article L. 1453-10 or refuses to authorise the Contract pursuant to Article L. 1453-11, the cancellation conditions of Article 5.1 will apply.

ARTICLE 6 - SUB-HIRE

The reservation form is nominative, non-transferable and inalienable. Except with written agreement, the Partner is formally forbidden to transfer, sub-hire or share all or part of its reservation, whether in return for payment or free of charge.

ARTICLE 7 - OCCUPATION OF THE EXHIBITION AREAS

The exhibition plan is drawn up by the event's Organisation Committee. The allocation of stands is carried out by Hopscotch Congrès in collaboration with the Organisation Committee, taking into account the order in which bookings arrive. Once allocated, no change of stand may be made without the written agreement of Hopscotch Congrès, which reserves the right to modify the location, size and layout of the stand requested by the Partner whenever it deems it useful to do so. If the Organisation Committee is obliged to partially modify the stands or facilities, no complaint shall be admissible and the Partner undertakes to comply with any decisions made. The allocated stands must be occupied by the Partner for the duration of the event; otherwise they will be considered available and may be reallocated without the defaulting Partner being able to claim any compensation or reimbursement whatsoever.

ARTICLE 8 - SAFETY REGULATIONS AND GUIDELINES

A technical file of the exhibitor will be sent to the Partner at a later date. This file will include all of the arrangements for stand layout and furniture hire, as well as the safety regulations and information on the various services that may be required (telephone, handling, storage, customs clearance, etc.). The Partner undertakes to comply with, and ensure that its employees and subcontractors comply with, the regulations of the event venue and the instructions specified in the technical file. More generally, the Partner is required to comply with the laws and regulations that apply to trade fairs, as well as with the safety measures laid down by the public administration. The Partner must comply with the regulations and safety instructions of the location in which the event takes place.

The Partner is responsible for both the equipment it exhibits and the equipment that it has hired or installed on its stand. Finally, during the event, the Partner undertakes to comply with all applicable ethical rules and practices, particularly concerning the due regard for professional ethics, scientific independence, management of conflicts of interest, transparency of financial participation and various forms of remuneration, neutrality of the content of information, mechanisms for authorising and declaring benefits and, more generally, strict compliance with the rules set out in the French Public Health Code. Within the framework of the DMOS law (French «anti-gift» law) and these updates, the Partner undertakes to carry out all formalities and regulatory procedures incumbent upon it. In particular, the Partner shall be responsible for complying with the provisions of Article 1453-1 of the French Public Health Code aimed at making this Contract public. In this respect, Hopscotch Congrès acknowledges and accepts that the Partner may be required to make public any information concerning the Contract, in particular its financial conditions, in order to comply with the legal and regulatory provisions and/or its own procedures. Obligations under the French Public Health Code are not the

responsibility of Hopscotch Congrès. Hopscotch Congrès may not be held liable in the event of non-compliance with these provisions by the Partner.

ARTICLE 9 - INSURANCE - LIABILITY

Hopscotch Congrès has taken out civil liability insurance as part of its activity. The Partner is obliged to take out an insurance policy covering the financial consequences of its civil liability and, in particular, any liabilities that it may incur against any third party. This insurance must be taken out with a company known to be solvent and cover the Partner for sufficient amounts. In addition, the Partner must also insure the goods, and more generally any equipment in its custody, in particular against loss and theft. The Partner undertakes to communicate this policy to Hopscotch Congrès at the latter's first request. Should Hopscotch Congrès's liability be recognised for any reason whatsoever, any damages and interest, along with any compensation due by Hopscotch Congrès to the Partner, for any reason whatsoever, may not exceed the total amount of the sums paid by the Partner under the terms of the Contract, exclusive of tax. Hopscotch Congrès shall not be liable for any indirect damage whatsoever.

ARTICLE 10 - EXCLUSIVITY

The reservation, and consequent hire of a stand or advertising space, requires the Partner not to organise or promote meetings or gatherings on the themes of the Congress, throughout its duration, which have not been declared and authorised by the Organisation Committee.

ARTICLE 11 - DISTRIBUTION OF DOCUMENTS

Any distribution of advertising documents and leaflets may only be carried out on the stand allocated to the Partner.

ARTICLE 12 - RIGHTS AND RESPONSIBILITIES OF THE ORGANISER

Hopscotch Congrès shall have the right to rule on all cases not provided for in these GTC. All of its decisions shall be or modification of all or part of the services may occur at any time (i) At the will of either Party if it believes that some or all of the services will endanger the health of its employees or that of the public. The Party concerned must immediately inform the other Party by e-mail of the cancellation and/or modification of part or all of the services; (ii) independently of the Parties, in the event of legal or governmental restrictions, taken at national or local level. The Parties agree that, in such a case, the Partner may cancel its participation in the event under the following conditions: if the cancellation occurs more than two (2) months before the event, 30% of the price shall be due to Hopscotch Congrès; 60% shall be due if the cancellation occurs between two (2) months and one (1) month before the event. For any cancellation request made less than one (1) month before the event, 100% of the price must be paid. Declaration/Authorisation procedure (Articles L. 1453-10 to 12 of the French Public Health Code). in the event that the competent authority issues recommendations to the Parties with regard to the Contract pursuant to the second paragraph of Article L. 1453-10 or refuses to authorise the Contract pursuant to Article L. 1453-11, the cancellation conditions of Article 5.1 will apply.
